Business updates presentation
for the third quarter and nine months ended 30 June 2021
6 August 2021
Statements in this presentation constitute “forward-looking statements”, including forward-looking financial information. Such forward-looking statements and financial information involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of Frasers Property Limited (“Frasers Property” or the “Company”) and its subsidiaries (together with Frasers Property, the “Group”), or industry results, to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements and financial information. Such forward-looking statements and financial information are based on numerous assumptions regarding the Group’s present and future business strategies and the environment in which the Group will operate in the future. Because these statements and financial information reflect Frasers Property’s current views concerning future events, these statements and financial information necessarily involve risks, uncertainties and assumptions. Actual future performance could differ materially from these forward-looking statements and financial information as a result of these risks, uncertainties and assumptions and you are cautioned not to place undue reliance on these statements and financial information.

Frasers Property expressly disclaims any obligation or undertaking to release publicly any updates or revisions to any forward-looking statement or financial information contained in this presentation to reflect any change in Frasers Property’s expectations with regard thereto or any change in events, conditions or circumstances on which any such statement or information is based, subject to compliance with all applicable laws and regulations and/or the rules of the Singapore Exchange Securities Trading Limited (the “SGX-ST”) and/or any other regulatory or supervisory body or agency.

This presentation includes market and industry data and forecast that have been obtained from internal survey, reports and studies, where appropriate, as well as market research, publicly available information and industry publications. Industry publications, surveys and forecasts generally state that the information they contain has been obtained from sources believed to be reliable, but there can be no assurance as to the accuracy or completeness of such included information. While Frasers Property has taken reasonable steps to ensure that the information is extracted accurately and in its proper context, Frasers Property has not independently verified any of the data from third party sources or ascertained the underlying economic assumptions relied upon therein.

Nothing in this presentation should be construed as financial, investment, business, legal or tax advice and you should consult your independent advisors.

Any discrepancies in the figures included herein between the listed amounts and total thereof are due to rounding.
Key highlights

Focused on operational resilience and financial discipline

Stable investment property portfolio across industrial & logistics, business parks, commercial and retail

- Driving occupancies through active leasing efforts and WALE underpinned by quality tenants
- Suburban retail assets in Singapore continue to demonstrate resilience
- Stable industrial & logistics development pipeline provides visibility of delivering further growth

Delivering quality residential developments

- Steady sales activity and settlements
- Actively managing timeline of developments amid challenging operating conditions
- Pre-sold revenue of S$1.8 billion across Singapore, Australia, China and Thailand

Actively managing hospitality portfolio

- Properties with long stay base continue to demonstrate resilience
- Developing recovery plans amid evolving COVID-19 pandemic situation
- Continued emphasis on improving customer experience

Healthy balance sheet

- Improved balance sheet metrics
- Continuation of proactive actions to manage gearing and extend debt maturities
- Recycling of capital through REITs platform and capital partnerships, generating fee income from asset management
Investment properties in Singapore remain resilient

Retail and commercial portfolio metrics improved

- **Stable investment property portfolio metrics**
  - Healthy retail occupancy at 93.9% on an enlarged portfolio, underpinned by resilience of suburban malls
  - Improved commercial occupancy at 93.5%, supported by proactive leasing strategy and tenant engagements

- **Optimising capital productivity through REITs platform**
  - Completed sale of stake in ARF to FCT on 27 October 2020
  - Divestment of non-core assets by FCT (sales of Anchorpoint and YewTee Point completed on 22 March 2021 and 28 May 2021 respectively)

- **Strengthening retail management capabilities and reinforcing support for tenants and shoppers**
  - Launch of Frasers eStore to improve retail experience; omnichannel approach to enhance user experience
  - Targeted rental assistance to tenants

Parc Greenwich

- 496-unit EC at Fernvale Lane
- Targeted launch by end 2021

Artist’s impression – Parc Greenwich EC, Singapore
Resilient development business in Australia
Sales and settlements reflect economic conditions and effect of government stimulus

- Over 800 residential units planned for settlement over the remainder of FY21\(^1\)
  - Of the total 2,353 units planned for settlement in FY21, ~99%\(^1,2\) have been sold as at 30 June 2021

- Development of QLD government’s built-to-rent (BTR) pilot project
  - 354 apartments to be developed in Fortitude Valley, Brisbane
  - Upon completion, FPA will own and operate the BTR asset with the government subsiding rental for qualified tenants across 40% of the building

- Delivery of key retail assets
  - Retail asset at Eastern Creek Quarter Stage 2 (NLA of 11,305 sqm) expected for practical completion in March 2022

Residential portfolio activity in 9M FY21

Stable industrial & logistics development pipeline
Supported by healthy demand and expanding land bank

- **Currently developing 13 projects totalling S$847 million GDV** with ~384,000 sqm (11 in Australia and two in Europe); planned for completion in FY21 and FY22
  - Commenced development of eight assets during 9M FY21 comprising six assets in Australia and two in Europe
  - Sold five assets comprising ~129,000 sqm of lettable space; to be delivered to third parties upon completion

- **Strategic initiative to grow industrial and logistics asset base**
  - Transferred portfolio of industrial properties in Australia and Europe from properties held for sale to investment properties
  - Land bank additions include ~424,000 sqm across four sites in Europe (two in the Netherlands and two in Germany) and ~222,000 sqm across two sites in Australia

---

**Two assets to be delivered in FY21 and 11 assets in FY22**

2. Australia development assets (Investment value - S$467m)
3. Europe development assets (Investment value - S$64m)
Strong industrial & logistics leasing activity
Underpinned by quality tenant profile

- **Strong portfolio metrics** in Australia and Europe, driven by robust leasing activity and renewals in both markets

- **Australian portfolio is 100% occupied** with quality tenant profile, while occupancies stood at a healthy 97% in Europe

- **Strong levels of renewals and leasing activity**, with ~293,000 sqm\(^1\) of renewals and new leases realised in Australia; and ~148,000 sqm\(^2\) in Europe

We are Frasers Property
Actively managing hospitality portfolio
Developing recovery plans amid evolving COVID-19 pandemic situation

- Properties with long stay base continue to demonstrate resilience
  - Properties in Singapore, Vietnam and the Middle East are trading within expectations amid challenging and evolving environments
  - Hotels in the UK have reopened to domestic demand for properties within secondary cities, although regional travel continues to be severely restricted

- Strengthening positioning of brands and loyalty programme to reinforce customer engagement and conversion

- Continued assurance and empathy demonstrated through flexible booking policies and #FraserCares initiatives (including implementation of COVID-19 management protocols)

- ~16,300 units in operation
- ~3,200 units in the pipeline, including properties under management
- Modena by Fraser Nanjing is on track to open by 1 October 2021
Domestic demand remains robust

Increase in domestic demand in Australia and the UK, despite continued pandemic impact

- Performance continued to be impacted by the COVID-19 pandemic and the resultant tightened curbs
- However, performance across China remains robust with possibility of uptick in business as vaccination programme rolls out across the country

- With relaxed government restrictions within the quarter, properties in Singapore witnessed increased activity and occupancy
- Resultant increase in domestic business and leisure due to closed borders provided better occupancies, especially in Capri by Fraser Brisbane and Fraser Suites Perth
- Recent emergency curbs across Indonesia, Malaysia and Thailand continue to affect the properties negatively as travel remains impacted

- Domestic travel demand due to lifting of lockdown has benefitted both F&B and rooms occupancies in the UK
- Domestic market in Germany remains weak with the absence of corporate travel and events
Diversified Thailand portfolio provides operational resilience

Net leasing growth for industrial portfolio and higher occupancy at mature commercial assets

- Overall industrial AUM occupancy remained stable at ~81% with new leases resulting in net leasing growth year-to-date of 26,958 sqm for factories and warehouses
  - Secured a lease agreement with e-commerce unicorn Flash Fulfillment for a 15,350 sqm specially designed e-commerce fulfillment centre
  - Commenced development of a new built-to-suit logistics centre at Bangplee with ~74,000 sqm GFA. Initial phase comprises 44,000 sqm which has secured over 60% occupancy commitment from leading logistics operators

- Office and retail portfolio occupancy rate remains high at ~94%¹
  - Samyan Mitrtown² recorded occupancy rates of ~82% for offices; while retail occupancy rate further rose to ~93%
  - Triple Y Residence³ 89.5% sold as at 30 June 2021
  - FPT invested S$76 million to acquire an existing property in Silom, Bangkok’s CBD, to be redeveloped into a 22-storey mixed-use commercial property with ~21,000 sqm of NLA across 22 levels and two levels of basement parking

Prudent approach towards Thailand residential development
Focused on developing an integrated Vietnam platform

Thailand

- Unrecognised revenue of ~S$0.1 billion
- Sold 5,378 units and settled 2,210 units
- Launched 13 new projects, bringing number of active projects to 65
  > New launches have a total GDV of ~S$676 million, which provided a strong boost to sales performance
- Development of software and smart applications in progress to provide better customer support at each step of the home-buying and after-sale service process

Vietnam

- Development of Binh Duong Industrial Park in progress
  > Completing infrastructure enhancement works
  > Construction tenders underway for Phase 1, comprising more than 40,000 sqm GFA of factories, warehouses and industrial facilities
- Healthy progress at Q2 Thao Dien
  > Completed hand-over of more than 83% of high-rise units, which recorded more than S$92 million in sales
  > Development of low-rise units on schedule
- Stable occupancy at Melinh Point despite pandemic
  > Occupancy rate continues to be above 90%
  > More than 96% of expiring leases in FY21 have been renewed with positive rental reversion
- Ramping up of occupancies at Worc@Q2 office building
- Frasers Property Vietnam won awards from Real Estate Asia for Mixed-use Development of the Year and Office Development of the Year
Stable performance in China

Residential property market in Shanghai remains buoyant

- **Residential properties remain in demand**
  - Opus One\(^1\) residential development (359 units) in Shanghai, fully sold\(^2\) and on schedule to hand over units by 2Q FY22
  - Handed over 199 Phase 5G residential units, 21 retail units, and 312 carpark lots at Gemdale Megacity; launched 154 Phase 6 residential units in total in January and April 2021, fully sold\(^2\) at an average selling price of S$12,334 per sqm

- **Commercial portfolio continues to register healthy occupancy rates**
  - 201 long-term lease apartments at Gemdale Megacity (Phase 1) in Shanghai achieved a 90% occupancy rate
  - Suzhou Baitang’s retail component\(^3\) recorded a 90% occupancy rate

We are Frasers Property
UK business remains stable
Investment portfolio continued to achieve steady operating metrics

- **Residential sales progressing ahead of plan**
  - Camberwell on the Green fully sold
  - Solid progress at Riverside Quarter, with 11 sales completed in the quarter

- **Stable investment portfolio metrics** reflect resilient nature of the business parks portfolio
  - Continued investment in placemaking and sustainability to drive occupancy
  - Opened collaborative workspace The Exchange at Chineham and Winnersh
  - Completed a development for Starbucks at Hillington

- **Strategic development activity continues**
  - Construction progressing well at The Rowe in Central London to deliver a ~15,000 sqm office targeting the tech sector
  - Construction commenced for ~12,000 sqm industrial scheme at Hillington

- **Portfolio under management continues to grow**
  - Facilitated the acquisition of a business park and a logistics asset, Blythe Valley Park and Connexion, which was completed by FLCT in June 2021

Net debt further improved following FPL’s S$1,159 million Rights Issue completed in April 2021. Continuing efforts to extend debt maturities with focus on sustainable financing.

Pre-sold revenue: S$1.8 billion across Singapore, Australia, China and Thailand.

Cash and deposits: S$3.6 billion as at 30 June 2021.

Net debt-to-equity ratio: 80.8% as at 30 June 2021.

Net interest cover: 4 times as at 30 June 2021.
Overall
> The safety and well-being of staff, customers, tenants and communities remain top priorities for the Group, along with financial discipline and capital management
> Remain focused on effectively managing operational challenges amid prolonged uncertainties with global economic activity recovery impacted by start-stop lockdowns in countries facing fresh COVID-19 outbreaks and uneven vaccination progress across the Group’s key markets

Singapore
> 2Q 2021 GDP contracted 2% q-o-q, on the back of Phase 2 (Heightened Alert) measures\(^1\)
> Notwithstanding the above, non-landed home prices rose across all regions\(^2\), reflecting positive buyer sentiment
> Retail and office sectors facing headwinds, with decline in retail sales\(^3\) and increase in CBD office\(^4\) vacancy rate

Australia
> Residential market well-positioned for strong growth, underpinned by declining unemployment rate and preliminary q-o-q GDP growth of 2.3% in 2Q 2021\(^1\)
> Office sector outlook remains challenging with high vacancies in Sydney and Melbourne CBD offices\(^4\)

Industrial & logistics
> Healthy industrial sector outlook in Australia supported by strong rental growth in Sydney and Melbourne\(^4\)
> Stable outlook in Europe as 2Q 2021 GDP preliminarily grew 2.4% q-o-q in Germany\(^1\) and 2.1% in Netherlands\(^1\)
Hospitality
- Domestic demand provided some relief, while international travel restrictions are expected to remain in place
- Some signs of recovery in occupancy, ADR and RevPAR as compared to previous corresponding period, but performance remains well below pre COVID-19 levels

Thailand & Vietnam
- COVID-19 infection rates hit record levels in both markets\(^1\), which have relatively lower vaccination rates
- Challenging operating environment for office, retail and residential sectors in Thailand
- High-end residential sector in Vietnam expected to remain resilient as GDP growth remains steady at 1.8 % q-o-q in 2Q 2021\(^2\)

China
- Steady GDP growth in China due to well-contained COVID-19 situation, underpinning strong residential growth

UK
- GDP preliminarily grew 5.1% q-o-q in 2Q 2021, helped by fall in COVID-19 cases\(^2\); investment portfolio metrics expected to stabilise in Thames Valley\(^3\)
