- 1.2. Ms Yeo informed the Meeting that Khun Charoen Sirivadhanabhakdi (“**Khun Charoen**”), the Chairman of the Board of Directors (“**Board**”), would preside as Chairman of the Meeting remotely from Bangkok, Thailand.
- 1.3. Following confirmation from the Company’s Share Registrar, Ms Yeo acknowledged on behalf of the Chairman of the Meeting that there was a sufficient number of verified shareholders who were attending the Meeting electronically, such that the requisite quorum was present.
- 1.4. Khun Charoen, speaking in Thai, welcomed all who were attending FPL’s 58<sup>th</sup> AGM. Mr Chotiphat Bijananda, a non-executive and non-independent Director, informed that Khun Charoen would conduct the Meeting in Thai, while he would assist Khun Charoen with the translation to English.
- 1.5. On Khun Charoen’s request, Ms Yeo introduced the members of the Board who were attending the Meeting physically, via video conference or remotely and also introduced Mr Loo Choo Leong, the Group Chief Financial Officer who was present in person. Ms Yeo thanked the representatives from KPMG LLP, the Company’s auditors, who were attending the Meeting remotely.

- 1.6. In relation to the procedures for submitting questions, Ms Yeo informed the Meeting that:
- (a) as stated in the Company's SGXNet Announcement dated 23 December 2021 ("**Announcement**"), shareholders could submit questions in advance of, or "live" at, the Meeting;
  - (b) the Company has published its responses to the substantial and relevant questions submitted in advance of the Meeting by the deadline specified in the Announcement on the Company's corporate website and on SGXNet, on 14 January 2022;
  - (c) substantial and relevant questions received after the deadline specified in the Announcement and which had not been addressed earlier, as well as those received "live" during the Meeting, will also be addressed;
  - (d) substantial and relevant questions related to the motions tabled for approval at the Meeting may be submitted "live" during the Meeting by typing in and submitting questions using the "live" chat function on the AGM webcast platform. The Company will address the questions during the "live" Question and Answer session, which will be held after the presentation by the Group Chief Executive Officer ("**Group CEO**") and after all the motions to be tabled at the Meeting have been introduced and explained. Shareholders do not need to wait until the relevant motion is reached to ask their question; and
  - (e) where substantially similar questions are received, they will be consolidated and moderated as appropriate and consequently, not all questions may be individually addressed. Questions for which responses had been addressed prior to the Meeting shall not be addressed again.

A video on how to submit questions "live" during the Meeting via the AGM@Convvene platform was played, after which Ms Yeo said that the "Ask A Question" icon would soon appear and shareholders would be able to start submitting their questions.

- 1.7. In relation to the voting process, Ms Yeo informed the Meeting that:
- (a) as stated in the Announcement, shareholders must appoint the Chairman of the Meeting as their proxy if they wish to exercise their voting rights at the Meeting. Shareholders had been advised to submit their votes by completing the Proxy Form to appoint the Chairman of the Meeting as proxy to vote on their behalf. Therefore, the Chairman of the Meeting would vote, or abstain from voting, on behalf of such shareholders in accordance with their specified instructions for each of the motions to be tabled at the Meeting;
  - (b) Proxy Forms submitted at least 72 hours before the Meeting had been checked and the number of votes that the Chairman of the Meeting had been directed to cast "For" and "Against" each motion, and the number of shares in respect of which he had been directed to abstain from voting on each motion, had been verified by RL Law LLC, the scrutineer for the Meeting;

- (c) voting would be conducted by poll, and that the Chairman of the Meeting would put the respective motions to the vote by poll only after each of the motions had been introduced and explained, and the results of the poll would be declared thereafter just before the conclusion of the Meeting; and
  - (d) all Resolutions tabled for approval at the AGM were Ordinary Resolutions and would be passed if more than 50% of the total number of votes were cast in favour of the Resolution.

- 12.2. The first question was whether the Company would consider a dual listing of Frasers Property Thailand Industrial Freehold & Leasehold Real Estate Investment Trust and/or Frasers Logistics & Commercial Trust on the Singapore Exchange and the Stock

Exchange of Thailand. Mr Panote responded that the Company is exploring all options to create value for its shareholders and thanked the shareholder for the suggestion.

- 12.3. The next question was on the Company's strategy for improving its share price, in particular, whether the lack of liquidity for its shares is negatively affecting its share price. Mr Panote responded that the Board and Management's focus is on creating value for the Company's shareholders by improving the Group's fundamentals and bottom line, and to prepare the Company to take advantage of the recovery from the COVID-19 pandemic. Mr Panote added that the Board and Management will continue to do so, regardless of the liquidity of the Company's shares.
- 12.4. The next question was on the Group CEO's allocation of time in respect of the Group's business in various geographies. The shareholder asked whether the Group CEO personally travelled to oversee the Group's overseas operations or whether he had relied on staff on the ground. Mr Panote noted that real estate is still very much a local business and being on the ground is how the Group can best operate its assets. Mr Panote added that while he had not been able to travel as much as he had hoped to due to the COVID-19 pandemic, the various management teams on the ground had been very capable, and in the past years, the adoption of technology had also allowed them to continue to communicate effectively and work closely together.
- 12.5. The next question was whether the Group has any plans to restructure its business to more efficiently manage its capital, given its sizable assets under management. Mr Panote responded that the Group is constantly assessing viable and sustainable ways to develop a meaningful and scalable portfolio, and is committed to continually enhance its operations for greater productivity and efficiency. The Company will also practise financial discipline and deploy its capital effectively for better returns, so that the market can value the Group's business competitively.
- 12.6. The next question was on where the Group CEO is based. Mr Panote responded that he is based in Singapore where he spends the majority of his time. In the midst of the pandemic, he had travelled to oversee operations in Bangkok, Thailand.
- 12.7. The last question was on the progress of the One Bangkok project. The shareholder asked whether this is expected to be a viable project. Mr Panote noted that One Bangkok is a very high profile, large mixed-use development project. He said that the One Bangkok project is progressing on schedule, and the Company expects to benefit from the opportunities that would arise as the economy recovers from the COVID-19 pandemic.
